

Wisconsin Handweavers, Inc. Presents:

ANALYZING WEAVE STRUCTURE

With Judie Yamamoto

Friday May 12, 9:30-3:30 and
Saturday May 13, 12:30-3:30

ABK Weaving Center in Gaenslen School
1250 E. Burleigh, Milwaukee, WI

Popular instructor Judie Yamamoto returns to Milwaukee for a practical and inspiring exploration of weave structures. Learn the ins and outs of drafting as well as how to read and manipulate drafts to get the results you want in your weaving. This is a pencil and paper workshop with practical information that will be invaluable to you as you design and weave your next projects. Weavers of all interests and ability levels are welcome to participate.

Note: Participants will need to bring a lunch both days.

For additional information contact:

Paula Holman, WHI Program Chair, 414-324-4170 or holmanpk@yahoo.com

WHI offers **scholarships** for members who need support to attend our workshops. Applications for scholarships are due at least **4 weeks prior** to the workshop. The scholarship application is available in the March issue of the Newsletter as well as online at www.wihandweavers.org. For questions email Karen Seidel, km.seidel@sbcglobal.net.
