

Wisconsin Handweavers, Inc. Presents:

A Jennifer Moore Workshop

Doubleweave Diversity for 4 and 8 Shafts

At Our Savior's Lutheran Church

3022 W. Wisconsin Avenue, Milwaukee

Thursday and Friday, October 12 and 13, 9:00-4:00

and Saturday, October 14, 1:00-4:00.

Jennifer is the author of [The Weaver's Studio: Doubleweave](#). Her weaving has been widely exhibited for the past thirty years and has won awards throughout the United States and abroad. She is a popular teacher and regularly contributes to weaving books and periodicals.

In this Intermediate-Level class you will learn all about the magic of doubleweave! Participants will weave a sampler that explores weaving two independent layers of cloth, double-width cloth, tubular weaving, color-and-weave effects, pique, quilting and doubleweave pick-up. Students with 8-shaft looms will also be able to weave samples of 2-block doubleweave techniques in checkerboard, windows and double-blocks. Graphing designs and working with multiple colors will be introduced. These techniques can then be taken home to create clothing, sculptural pieces, decorative hangings and whatever else the imagination can dream of.

Students will need to bring a 4-shaft or 8-shaft loom warped according to instructions. A limited number of table looms are available for rent from the ABK Weaving Center. Contact ABK Director Rebecca Wilson at 414-267-5771 for information.

There is a maximum of 20 students for this workshop. For information contact Paula Holman, 414-324-4170 or holmanpk@yahoo.com.
